In enclosing herewith copies of the resolutions of the Municipal Council, Bhadravathi passed at the meetings held on 9th July 48 and 4-9-48 on the above subject, I write to state that it is reported by the President that there is only one midwife at Bhadravathi in the local Fund Dispensary and she will not be able to attend to all the urgent calls of the public Further he has stated that the 3rd division of the Town is a thickly populated area and is situated at a considerable distance from the hospital rendering it difficult for the inhabitants of this area to easily avail themselves of the services of the midwife
